NUMEROLOGY – AT A GLANCE

Types of Numerology:

- Chinese Numerology
- Vedic Numerology
- Cheiro Numerology
- Chaldean Numerology
- Pythagorean Numerology

Base of Indian Numerology:

Chinese Numerology mixing with Vedic Numerology and Chaldean Numerology. Name Numerology is mainly based on Cheiro Numerology. Cheiro is the Father of Numerology.

Lo Shu Grid (Laxmi Yantra):

4	9	2
3	5	7
8	1	6

You add three numbers from any direction, vertically, horizontally and diagonally, it will come as 15 = 6

Three Numbers in a Date of Birth:

1. Psychic Number/Driver/Pilot:
   Addition of birth day number
   e.g. 16th [1 + 6 = 7]

2. Destiny Number/Life Path Number/Co-Pilot:
   Addition of all numbers in a date of birth
   e.g. 16th November 1972 [1 + 6 + 1 + 1 + 1 + 9 + 7 + 2 = 28 = 2 + 8 = 10 = 1 + 0 = 1]

3. Kua Number/Flight Attendant:
   Addition of all number of birth year and deduct that number from 11 (in case of man) and add number 4 with that number (in case of woman).
   e.g. 1972 [1 + 9 + 7 + 2 = 19 = 1 + 9 = 10 = 1. (11-1 = 10 = 1 in case of man, 1 + 4 = 5 in case of woman)]

Numeroscope/Birth Chart:

- When you get a date of birth, calculate the Pilot(P) Number, Co-Pilot(CP) Number and Flight Attendant (FA) Number first.
- Then plot the numbers in the Lo Shu Grid corresponding to the reference number.
- Repeat the numbers as many times as it appears in your date of birth.
- If your day of birth comes as single digit e.g. 1 to 9, 10, 20, 30; then use that number once only as Pilot Number.
- Double digit Day of Birth numbers should be added and reduced into single digit and write as Pilot(P) Number.
- Calculate total of whole Date of Birth from both sides to avoid the mistake and cross check.

e.g. of a Numeroscope/Birth Chart:

DoB: 23rd June 1974 [23-06-1974] Male person.

4	9	2
3	55	7
8	1	6

P= 2 + 3 = 5
CP= 2 + 3 + 6 + 1 + 9 + 7 + 4 = 32 = 3 + 2 = 5
FA= 1 + 9 + 7 + 4 = 21= 2 + 1 = 3, 11-3 = 8

Master Numbers:

Three Numbers are called Master Numbers, they are **11, 22 & 33**.

Method to calculate Master Co-Pilot Number:

e.g. Date of Birth: 13-02-1967 = 1 + 3 + 2 + 1 + 9 + 6 + 7 = 29 = 2 + 9 = 11 = 1 + 1 = 2 (No)

0013

+0002

+ 1967

1982 = 1 + 9 + 8 + 2 = 20 = 2

If total of Date of Birth comes to 11, it should be calculated vertically also. If in vertical calculation total doesn't come to 11, then it is not a Master Number.

Another e.g. Date of Birth: 15-11-2001 = 1 + 5 + 1 + 1 + 2 + 1 = 11 = 1 + 1 = 2 (Yes)

0015

+ 0011

+ 2001

2027 = 2 + 2 + 7 = 11 = 1 + 1 = 2

In both horizontal & vertical calculations total comes to 11, it is a Muster Number.

When total of Date of Birth comes to 11 or 22 in horizontal calculation, then calculate in vertical method also. If both way 11 or 22 comes, then it is a Master Co-Pilot number.

Method to read birth chart of Master Number:

e.g. 15-11-2001 (Pilot = 6, Co-Pilot = 2/11)

e.g. 11-02-1976 (Pilot = 2/11, Co-Pilot = 9)

Characteristics of Master Number 11 (same for Pilot & Co-Pilot):
